

STRIDE DISTRIBUTORS: COVID – 19 LOCKDOWN

LET'S REDUCE THE RISK OF INFECTION

TOGETHER WE CAN WIN

ATTENTION:

In the wake of the current COVID – 19 as well as the directive issued by the President of the Republic of South Africa, **STRIDE DISTRIBUTORS** wishes to inform you that our offices are closed and will remain so until further announcement by the relevant officials. However, as members of the South African Animal Health Association (SAAHA), the Minister of Agriculture has classified all SAAHA members as Essential Animal Health product suppliers. Thus our products are considered Essential products to protect animal health, which means we are able to supply orders. Our courier services have also been classified essential suppliers and can thus deliver orders.

We are applying all sanitary precautions, and wish to assure our customers we will ensure we are not a contaminated source.

We wish to advise you that while our office phone numbers are not manned, the office cell is operating (082 522 0167), and our services and response to enquiries will be available through contacting us on the following details.
